\$5000 IN BURSARIES!

At its annual Yes Training Trust Fund (YTTF) Awards ceremony, Yes Employment Services will once again recognize area youth who have overcome personal significant and difficult life experiences, in order to move successfully towards their career goal. Ten young people will be chosen to receive a \$500 bursary. Due to Covid-19 the awards will be presented virtually this year.

The goal of these bursaries is to recognize young people who:

- Would not be considered for the typical academic excellence bursary
- Have had to overcome significant challenges (or will have to overcome significant challenges) to attain their goal. These barriers should be beyond the normal financial challenges to accessing post-secondary education.
- Have an identified career path

Youth are invited to submit an application to the YTTF selection committee. This application aims to capture information regarding the applicant, their chosen career path, challenges they have or will surmount and how this bursary will assist in the attainment of their career goal.

Winners will be required to provide a valid Social Insurance Number for the purpose of the issuance of applicable Revenue Canada reports.

All applications should be mailed, faxed or e-mailed by **April 23, 2021** to:
